Summary

A highly motivated MERN stack developer with a strong foundation in web development, proficient in front-end technologies like HTML, CSS, JavaScript, ReactJS, and back-end technologies like Node.js, Express.js, and MongoDB. Adept at creating responsive UI designs using frameworks like Tailwind and Bootstrap. Experienced in building e-commerce platforms and project management, as demonstrated in the final year group project "Ariyas." Skilled in problem-solving with C, C++, and passionate about UI/UX design using Figma and Adobe XD. Enthusiastic about photography, traveling, and gaming. Fluent in Bengali, English, and Hindi.
